Biobased and social innovation
to revitalise European
local communities

How to boost the role and impact of social
innovation for the revitalization of EU local
communities by accelerating the transition
to circular bioeconomy?

BIOLOC will achieve this ambitious goal through comprehensive methodological work and specific actions that the project will implement in 12 locations in Spain (Aragon), Greece (Western Macedonia), Bulgaria (Plovdiv), Slovakia (Nitra), Slovenia, Croatia (Adriatic), Hungary (North), Romania (West), Czechia (Ostrava), the Netherlands (Apeldoorn), Germany (Baden-Wuerttemberg), and Italy (Campania).

Funded by the European Union. Views and opinions expressed are however those of the BIOLOC consortium only and do not necessarily reflect those of the European Union or of the European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them.
